FOREIGN LANGUAGE DINING-ROOM

On the initiative of the Chief, Language and External Training School, OTR, the Government Services cafeteria has established a foreign language dining-room in the Recreation and Services Building. Language tables have been set up for French, German, Spanish and Russian. This facility will increase the opportunity for Agency employees to keep their language competence alive in an informal atmosphere and is open to any Agency employee. During the first week there was a daily participation of about 50 individuals.

CABLE WRITING

On 23 April 1954, a 3 1/2-hour refresher course in effective cable writing will be initiated for Clandestine Services personnel.

SUBJECT: Weekly Summary Report

This course is being established in response to a requirement from the Chief of Operations, DD/P, who has directed that it will be taken by all members of DD/P who are involved in any way with the writing of cables. The major emphasis will be on effective cable writing; instruction will be provided by senior officers of DD/P, the Office of Communications, and the Office of Training. This program will be held in the Recreation & Services Building auditorium. Each of the ten scheduled runnings will accommodate 120 students.

DIRECTOR OF TRAINING FIELD INSPECTION

This Office has received several dispatches from the Director of Training following his brief visits to Europe and the Middle East. Immediate action has been requested by Mr. Baird on several items involving headquarters support to field training activities. Appropriate action has been taken in response to each of these requests. It has become clear that the value of personal contact and the resultant prompt action regarding training problems in the field lend added significance to this type of field inspection.

UNITED STATES AIR FORCE PROGRAM

The third United States Air Force Program in clandestine methods and techniques was completed on 8 March 1956. Colonel Mareydt stated on completion of this Program that in his opinion the Air Force is now capable of taking over approximately 95% of the instruction and practical work in future courses. He indicated, however, that he would appreciate and require the services of at least one Office of Training instructor for Program No. 4 which begins on Monday, 16 April 1956. The OTR instructor would direct and coordinate the Program, present certain lectures, and assist in arranging for guest speakers on technical subjects.
